## ABOUT THE ASSOCIATION

The Learning Community, **Association for Learners** is an organization developed for the improvement in the way of teaching and learning by the application of creativity and innovative practices in Education System. Objectives of the organization are to develop and promote Learning and education and to provide a forum for discussion and deliberations on issues and problems related to education in general and Learning in particular. If You Want to be the member of Association please contact - **Dr. Shireesh Pal Singh**, shireeshsingh1982@gmail.com and **Dr. Kiran Lata Dangwal**, kldangwal@yahoo.co.in

## ABOUT THE COLLEGE

Eminent politician, socialist and a true well-wisher of the down trodden Late Sri Heera Lal Yadav (1931-1995) truly sensed with the depth of his heart, the need to strengthen women education in our society. He was a strong supporter of the view that only an educated girl can give us an educated society & an educated nation. These ideas of Late Sri Heera Lal Yadav were move forwarded by his two sons former M.L.A. honorable Sri Shyam Kishore Yadav & Sri. Kunwar Ram Singh. The concrete shape to his dreams was given by esatblishing the Heera Lal Yadav Balika Inter College in 1996 & a Degree College in 2001 at Gauri Village, Sarojini Nagar, Lucknow. The college brought educational opportunities for the girls at their doorsteps, no doubt the college was able to raise the educational status of girls of the area. Now the college is imparting education to girls in the area of Arts, Commerce, Teacher Training, management and Computers. The vision of Heeralal yadav Girls Degree College is to promote literacy, awareness and professional skills among the girls of rural area. It not only tries to impart education to the girls but also to enhance their practical and professional skills. The girls are provided with the congenial atmosphere for the development of their personal talent and socially accepted values.

## ABOUT THE SEMINAR

Education is the process of learning and obtaining knowledge. One does not only acquire knowledge from a teacher; one can learn and receive knowledge from a parent, family member and even an acquaintance. An important goal of education is helping students learn how to think more productively. To achieve the goal of teaching, the teacher must adopt effective and innovative teaching methods in education. Hence, there is a great need to think and to make discussions on the innovative practices in education at different levels from different perspectives so that we can provide good education according to societal needs.
