Author Guidelines

Navasiddhant: Journal of Management, Entrepreneurship and Ethics is a National Journal. The Editorial Team of Navasiddhant welcomes original papers from Academicians, Researchers and Industrialists. Papers based on practical experience or those research oriented are highly acceptable. Authors should prepare their manuscripts according to the following instructions. Those manuscripts that do not following the format of Journal guidelines may be returned to authors for revision or rejected. The Editorial team maintains the rights to make any further changes and corrections if necessary. Manuscripts shall not returned to authors even upon rejection of the Paper.

Copyright Form

Submission of Manuscript implies a commitment by the author to publish in the journal. The author should assure that 1) the article is his original work. 2) The article or part of article has not been published earlier. 3) It is not under consideration for publication elsewhere. For the confirmation of this, the author should submit copyright form which you may get by request.

Format of the research paper

Manuscript should be typed double spaced on A4 size with 1" margin on all sides. You should use 12 pt times new roman fonts. The whole paper should not exceed 15 Pages.

Abstract

A brief summary of the paper containing 80-100 words including a brief introduction, description of Hypothesis, findings and results.

Key Words: Keywords must be specific, about 4-6.

Introduction

The introduction should provide sufficient information of the whole paper and description of research area.

Body of the Article

Must include objectives, methodology, results, discussion, suggestions, tables, charts and illustrations. All tables and figures are also to be submitted in a separate folder along with the Figure's name and table name.
